Education

NRI Institute Of Technology

Bachelor Of Technology In CSE(AI/ML) | CGPA - 7.4/10

Nov. 2021 – Mar. 2025

Vijayawada, Andhra Pradesh

Andhra Loyola College

Intermediate | Percentage - 85.5

Apr. 2019 – Mar. 2021

Vijayawada, Andhra Pradesh

Thrividha E.M High School

Secondary School Of Education | CGPA - 9.7

Apr. 2018 – Mar. 2019

Nuzvid, Andhra Pradesh

Experience

Full Stack Programming Using Java - HMI Engineering

Feb. 2023 – June. 2023

Java Full Stack

Remote

- Developed a three-layered web application using Spring Boot, including model, repository, service, and controller layers.
- Designed RESTful APIs for CRUD operations on product data, utilizing JSON for data exchange.
- Utilized Postman for thorough testing and validation of API endpoints.
- Implemented project setup, dependency management with Maven, and adhered to best practices in Java development.

Machine Learning Using Python - SkillDzire

June. 2024 – July. 2024

Python

Remote

- **Trained ML models** using Python libraries such as Scikit-learn, TensorFlow, and PyTorch.
- **Worked with supervised and unsupervised learning** techniques, including regression, classification, and clustering.
- **Performed data preprocessing** (cleaning, normalization, feature engineering) to improve model performance.
- **Performed model evaluation** using cross-validation, confusion matrix, precision-recall, and ROC curves.

Projects

E-commerce Website

November 2023

HTML, CSS, JavaScript

- Designed and developed a fully functional E-commerce website with features including user registration, product management, cart, and admin panel.

Technical and Language Skills

OS: Windows

Programming Languages: Python, Java, C

Web Development: HTML, CSS, JavaScript

Database: MySQL

Certificates

- Problem Solving (Basic) in Python - HackerRank
- Cloud Computing - NPTEL
